

Raider Swimming dominated the Water Warrior Invitational on Saturday, December 1, with both girl's and boy's teams clinching 1st place. It was a HUGE first place win for our combined team outscoring the next closest team by 483 points! Even more impressive than winning the meet... we had 10 relays\* and 16 individual swims with state cut times. We also had numerous improved times and PRs! That makes a fantastic weekend for Raider Swimming!

Thank you to Barb Oswald and Lisa Tigert for "swimming" through the rain to get our food table in and out of the aquatic center to make sure everyone was well fed and hydrated. And thank you to Kim Kloecker for securing donations and delivering the sandwiches to us.
